Good morning Jose,

The UHRC is requesting to add an additional location to Olympic division: **190429002 - 2930 W 7th Street, 90005**

Based on our research, this location was originally scheduled on June 26th, but could not be completed due to being a large cleanup and scheduled at the end of the day.

Would you like to schedule it for the 17th? The last estimated time to clean up this location was 4 hours so the order of locations may need to be shifted if we are to include this location. CD1 does not have another Olympic day scheduled for the month of July.
